

Love...

...what about when it hurts?

Family...

...when it no longer offers protection?

Dignity...

...what about when it is damaged or destroyed?

Fear...

...what about when your own partner is the reason for it?

Pain...

...shouldn't be part of the family!

Abuse...

...is not acceptable!

You have the right to a life without violence and fear.

There are many people and institutions that will help you.

You are not alone!

Interventionsprojekt

SAY NO
to violence

against

Women and
Children

Conflicts occur,
even in the best of families

BUT:

Violence against women and
children is unjustifiable – even in
marriage, partnership and family.

Physical violence and sexual assault
are criminal acts.

Art. 1, par. 1, German Constitution:
Human dignity is inviolable.

Art. 2, par. 2, German Constitution:
Everyone has the right to
life and physical integrity

Regardless of whether the violence has
only just begun or has lasted for a long
time, and whether you want to separate
from your partner or not.
