

SAY NO TO VIOLENCE

You are not alone – we are here to help

Freiburger Fachstelle Intervention  
gegen häusliche Gewalt  
(Freiburg Office for Intervention  
against domestic violence)

“There can be trouble in the best of families ...”

**But:** Violence, regardless of whether it’s physical violence or verbal abuse, threats and other forms of violence can never be a solution – and certainly not in a marriage, in a family or in a relationship.

Violent assaults are always a criminal offense.

**You have the right to a life without violence and fear.**
